

# Conference Opportunities

Autumn Conference 2010 - Brecon  
Spring Conference 2011 - Cardiff

*Opportunities for sponsorship, advertising and participation with discounts for members of Public Affairs Cymru*

# Introduction

We are pleased to be able to present the opportunities available for you to participate in our Conferences in both Autumn 2010 and Spring 2011.

Our Autumn Conference this year will be taking place at the Brecon Castle Hotel on the weekend of 15-17 October and after the success of our Spring Conference in 2009 there we will be returning to the Barceló Cardiff Angel Hotel for our 2011 Spring Conference on the weekend of 4-6 March.

This brochure contains a wide variety of ways in which your organisation can play a role in our conferences. There are also ideas on how you can best use these options to maximise your impact.

You can now book for our Autumn Conference only or a double booking for both Autumn and Spring at a reduced rate. Booking for only the 2011 Spring Conference will not be available until November this year. The booking forms can be found at the back of the brochure.

## Influencing the decisions taken at Conference

In the Welsh Liberal Democrats it is Conference that sets party policy. Therefore if one of your aims is to influence party policy our Conference is the most effective place to do so.

The motions to be debated at Conference are published around a month in advance of the Conference on the party's website. If you have strong views, either in favour or against any of the motions you may want to consider using one of the following suggestions to try and influence the final decision.

**Attending as a Conference Observer** - this will give you the opportunity to speak in the debate itself as well as a chance to speak to delegates in and around the venue.

**Holding a Fringe** - if you held a fringe on the subject of a motion before the debate takes place you will be able to communicate your views to a large number of delegates.

**Having an Exhibition Stand** - this will enable you to talk to and convey your thoughts to party members throughout the weekend, and provide a focal point for your organisation.

**Mailing Delegates** - there are options outlined in this brochure for you to be able to send delegates something through the post before the Conference takes place. This is ideal if you are unable to attend Conference.

**Advertising** - if the message which you want to convey is simple then an advert is the most effective way of doing this. There are a myriad of ways to advertise at our Conference, all mentioned in this brochure.

# Influencing policy development

While it is the Conference that sets party policy, there are a number of groups of members who play a role in developing policy before it gets to Conference.

Whilst our Assembly Members and Members of Parliament play a significant role in developing policy, they are assisted by the National Policy Committee which is made up of around 10 party members. Elected from the membership, it includes Kirsty Williams AM, leader of the Welsh Liberal Democrats, and Roger Williams MP, the leader of the Welsh Liberal Democrat group in Parliament as well as ordinary party members. The National Policy Committee is one of the bodies which can propose a motion to Conference.

At a local level, councillors and Local Party (constituency party) Executives are able to create new council level policy or vary national policy to suit local circumstances. The Welsh Liberal Democrats currently play a role in the administrations in over half of Wales' local authorities.

Local Party Executives can also propose motions to Conference. They are often on issues of local importance or something which the party is doing locally that they want to turn into a national policy.

Individual Conference delegates also play a role in policy development. We often have consultation debates at Conference where delegates will have an opportunity to put forward their view on an issue while policy is being initiated. Also a group of 20 delegates can get together and propose a motion to Conference.

If your aim is to influence party policy while it is being developed or to encourage the party to develop policy in an area which you feel is important you may want to consider one of the following suggestions.

**Mailing Party Members** - you could do this to either raise an issue with them or to directly ask them to support putting forward a motion.

**Attending as a Conference Observer** - this will allow you to speak during any consultation debates.

**Holding a Presentation Fringe** - a presentation fringe would be ideal for putting forward your views on an issue before a consultation debate takes place or as an opportunity to encourage the party members to start developing a new policy.

**Holding a Round Table Meeting Fringe** - you could invite a few party members with an interest in a subject to discuss the issues and collectively write a motion which they could take forward to a future Conference.

**Holding a Small Drinks/Bufferet Reception** - this would be a great way of meeting and networking with key people involved in developing policy to build relationships for the future.

**Attend the Conference Dinner** - again this is a great opportunity to meet and network with party members.

**Sponsoring an Event** - one of the things that people remember after a Conference is who sponsored some of the key events. We can work with you to ensure that your sponsorship of an event is tailored so that you can maximise its effect.

# Selling a product to party members

If your aim is to sell a product to party members such as:

- the latest 'must have' political book
- a service such as printing leaflets for an election campaign
- membership to your organisation

there are a number of ways which you can do this at Conference.

**Exhibition** - you could have a stand where you either directly sell your product to party members or display examples of the services you provide.

**Mailing Party Members** - an insert in a mailing to party members is a great way to advertise your product, service or organisation.

**Hold a Small Drinks/Bufferet Reception** - you could hold a small reception and invite the people you wanted to build a relationship with. For example if you can provide a service to our campaign teams across the country then you may want to invite campaign staff, constituency agents and Local Party officers. Alternatively if you wanted to sign up members you may offer an open invitation to everyone who is interested in your subject.

**Hold a Round Table Meeting Fringe** - this would be particularly effective if you only want to meet with a small number of people.

**Hold a Presentation Fringe** - if you wanted to explain to party members what your organisation is about and what you can provide then this option could be very effective.

**Advertising** - there are numerous advertising opportunities at Conference, some are general adverts to be seen by everyone while others are targeted to specific groups of members.

**Sponsoring an Event** - one of the things that people remember after a Conference is who sponsored some of the key events. We can work with you to ensure that your sponsorship of an event is tailored so that you can maximise its effect.

As a party we are very keen to have a wide variety of organisations participate in our Conference as we believe that this enhances our policy development and helps us work more effectively as a political party.

We therefore have a team of people on hand to assist you as much as we can. If you would like to talk over any of the opportunities presented in the brochure please do not hesitate to contact us.

# Attending Conference

## Conference Observer

Anyone attending Conference as an Observer will be able to participate in debates in the main Conference Hall, attend most fringe events, visit the exhibition and network with party members around the venue.

Please note that some other options in the brochure include complimentary Observer Passes.

## Exhibition

All stands are on a space-only basis. Premium Sites are 3 metres by 2 metres, while Standard Sites are 2 metres by 2 metres. You will also be supplied with a table and two chairs.

The Exhibition will be open to delegates between 8:30 and 17:00 on the Saturday and between 9:30 and 15:00 on the Sunday. You will be expected to keep your exhibition stand open during this period.

All exhibition stands come with two complimentary Observer Passes.

## Conference Dinner

The Conference Dinner will take place on the Saturday evening and attracts a large number of party members as well as representatives from the business and the 3<sup>rd</sup> sector communities.

You can purchase an individual ticket or a table of ten.

# Attending Conference

## Fringe Event

There are many types of Fringe Events which you could host at Conference. The choice is yours and we will assist you as much as possible in making sure that it's exactly how you want it.

### Presentation

The usual format is that there will be a presentation from yourselves followed by questions from the party members present. A Presentation fringe usually works best at lunchtimes or mid-afternoon when most delegates are around.

The room will be set up for 40 people theatre style with a top table at the front.

Usually the organisers of a Presentation fringe event will supply a buffet for those attending.

### Round Table Meeting

A round table meeting is a more intimate affair and can include a meal such as breakfast, lunch or supper.

They are usually invite only events for around 10-15 people but sometimes other people are invited in to observe the meeting.

Invite only events work best at breakfast time or in the evenings while you are more likely to have others attend at lunchtime or mid-afternoon.

### Small Drinks/Bufferet Reception

This is a far more relaxed event, ideal for networking and creating one-on-one relationships. You would supply a buffet, or even just drinks and members would mingle with yourselves and each other.

This can be either an invite only event or open to all members.

Such Receptions work best in the evening.

There are a number of time slots available for fringes. They are:

Friday: early evening and late evening

Saturday: breakfast time, lunchtime, mid-afternoon and early evening

Sunday: breakfast time and lunchtime

Most slots are an hour long, but some have the option of extending to longer. Details of where this is possible are on the booking forms.

# Advertising & Branding

## Members Mailings Inserts

Every month a mailing is sent to all party members. In addition to this, mailings are regularly sent to Conference delegates.

Inserts can be up to A4 size and a maximum of two are allowed per mailing.

## Conference Guide Advert

The Conference Guide is the handbook for everyone attending Conference and contains all the necessary information for the weekend.

Adverts can either be full page colour on the inside of the cover or full page or half page black & white in the rest of the Conference Guide. The Conference Guide will be A5 sized.

## Lanyards

As security becomes an ever-increasing priority for the conference, the visibility of the delegate badge is even more important and provides an ideal branding opportunity as each attendee must wear their badge at all times during the Conference.

Either supply your own lanyards or supply your artwork/logo and we will produce them for you.

## Delegate Bags

Sponsorship of the Delegate bags is an excellent branding opportunity. Not only are these carried by all delegates during the conference, they are taken away and used to carry leaflets during canvassing sessions so the sponsor's branding lives on post-conference.

Either supply your own bags or supply your artwork/logo and we will produce them for you.

# Advertising & Branding

## Stewards Shirts

Our stewards are very much the public face of Conference. Branding their shirts would guarantee your brand being seen by a huge audience.

Either supply your own polo shirts or supply your artwork/logo and we will produce them for you.

## Welcome Pack Leaflets

Ensure your organisation's marketing materials are seen and retained by all attendees. We will insert your flyer, advert or information leaflet into every delegate welcome pack - given to everyone on arrival.

This is a fantastic opportunity to advertise your fringe event, organisation, campaign, product or brand. Whatever you are trying to communicate to conference delegates - this is the surest way to make sure it reaches everyone.

## Welcome Pack Gifts

Ensure your brand is at the forefront of delegates minds by placing a promotional gift in the delegate welcome pack.

An ideal opportunity to reach the conference membership and to ensure high visibility of your brand.

# Sponsoring Events

There are a number of events taking place at Conference which you can sponsor.

The basic sponsorship package includes your branding at the event and an opportunity to address everyone attending the event. However we are keen to work with you to tailor make a package which best meets your expectations.

If you are interested in discussing the sponsorship opportunities available to you further please contact Joanne Foster on 07817 646302, by e-mail at [Joanne.Foster@WelshLibDems.org.uk](mailto:Joanne.Foster@WelshLibDems.org.uk) or by post at Conference Sponsorship, Welsh Liberal Democrats, Freedom Central, Ground Floor, Blake Court, Schooner Way, Cardiff, CF10 4DW

## Conference Rally

The Conference Rally takes place on the Friday evening and includes speakers from within and outside the party.

The Rally is a free event open to the general public as well as those attending Conference.

## Conference Dinner

The Conference Dinner is the main social event of the weekend and attracts a large number of party members as well as representatives of the business and 3<sup>rd</sup> sector communities.

## Pre-Rally Reception

This drinks reception takes place before the Rally and is well attended by those attending the Rally.

# Sponsoring Events

## Pre-Dinner Reception

This drinks reception takes place before the Conference Dinner.

## Welcome Reception

This is a tea & coffee reception which takes place on the Saturday morning as delegates arrive before the official opening of Conference.

## Thank You Reception

This drinks reception takes place at the end of Conference on the Sunday afternoon and is a chance to thank everyone who works hard for the party throughout the year.
